### European Football Giants Arrive For The ICC

The Singapore leg of the International Champions Cup (ICC) is due to kick off on Tuesday (July 25), as Bundesliga champions FC Bayern Munich face off against English champions Chelsea FC at the Singapore Sports Hub at 7.35pm.

While most Singaporeans have already snapped up the **surprisingly affordable tickets** to watch their favourite European teams, the MustShareNews team managed to get a sneak peak of one of the football stars that are now on our sunny island.

Being important business partners and ambassadors for Bavarian tradition, Bayern Munich and German brewers Paulaner Munich organised a private autograph session for Singaporean fans of the Bundesliga Champions that included one Corentin Tolisso.
